THE 2ND INTERNATIONAL CONFERENCE
INTELLIGENT METHODS, SYSTEMS, AND APPLICATIONS
(HYBRID CONFERENCE) (IEEE REC.#: 61967)

13TH - 14TH JULY 2024
MSA UNIVERSITY, CAIRO, EGYPT

CALL FOR PAPERS

It is our great pleasure to host the IEEE Conference on the Intelligent Methods, Systems, and Applications (IMSA) **http://imsa.msa.edu.eg/** which will be held in Cairo, Egypt on the 13th and 14th July 2024. The conference is organized by the Faculty of Computer Science at October University of Modern Science and Arts (MSA) **https://msa.edu.eg/msauniversity/**

IMSA is specialized in topics stemming from computational science. We welcome presentations of original work that explores all new research directions and genuine notions in the field of Computer Science, aiming to ultimately contribute to and benefit the community.

PAPER SUBMISSION

Submitted papers should not exceed 6 pages, including results, figures, and references. Please ensure that your paper is written in English and is submitted in a blind format **(none of the authors' affiliations or names should be included or disclosed in the submitted paper).**

- **Online participation is allowed** ▪️ zoom

IMSA solicits papers that address important research challenges related to, but not limited to:

- Artificial Intelligence Tools & Applications
- Human-Computer Interaction
- Semantic Analysis and Natural Language Processing
- Machine Learning
- Data Visualization
- Data Science & Knowledge Discovery
- Software Engineering
- Database and Data Mining
- Bio-informatics & Health Informatics
- Multimedia & Cognitive Informatics
- Modeling and Simulation
- Information theory
- High Performance Computing
- Distributed and Parallel Systems and Algorithms
- Computer Architecture and Real Time Systems
- Robotics and Embedded Systems
- Mobile Computing
- Networking and Communications
- Cryptography and Information Security
- Computer Networks Forensics & Cyber Security
- Web Intelligence Applications
- Big Data
- Computer Vision
